

Kurashiki SUISHO High School

Kurashiki, JAPAN

We are honorable that we can show you our marching show, concert performance and parade here in Thailand. We believe that the wonderful international exchange can be made through our marching and concert performance.

The KURASHIKI SUISHO high school wind band started marching activities in 2010. Although there are still a few members, Mr. Masanobu Oshiro, who raised up the Nishihara high school marching band of Okinawa to the top level in the world, has been our adviser since 2012 and brushed up our skill and spirit.

We participated in the Japan marching and baton stage festival (JMBA) in February 2013, the 37th All-Japan high school cultural festival as a representative of Okayama prefecture in July 2013. In October, we won the prize of Sound Sport in Marching in Okayama that was the first SoundSport festival in Japan.

We are going to show you the famous Jazz song in "Cool & Hot" program in marching show. In a concert, we are going to give you the mysterious song "Dancing in Rain" composed by Japanese composer, Yo Goto.
